SUMMER PLANTINGS

We offer a wider variety of summer plantings for your loved one's grave. Begonia plantings are available in either red or pink with a border of white Dusty Miller, blue Ageratum or with no border. We also offer a Vinca planting, which is a green leaf plant with pastel color flowers that grows well in sunny areas.

We start planting around May 15th and continue until the end of June. We cannot guarantee a specific planting date. Summer plantings are planted based on the date you order. The later you order the later your planting will be completed. You will be notified by email when your planting has been completed. We cannot be held responsible if a burial takes place in the plot after the planting has been completed.

All plantings listed below comply with the regulations of the Gate of Heaven Cemetery and can only be planted in upright monument sections.
