## EARLY SPRING PLANTINGS

We offer flowering kale as a spring planting that can be planted at your loved one's grave in early April. It thrives quite well during the colder spring weather and usually lasts until the beginning of June. The grave can then be planted with one of our summer plantings.

The name "flowering kale" is somewhat of a misnomer as it does not have actual flowers but rather has brightly colored leaves as can be seen in the picture.

### FLOWERING KALE PRICING
